*Video packages require FiberNet Digital Basic service and is included in price listed. Digital equipment rental is not included in listed pricing and is additional.

All listed are for residential serviceable areas and do not include applicable franchise fees, regulatory fees, taxes, copyright or other governmental or franchise related fees. You must purchase Limited Basic service to subscribe to any other video service offered by Broadstripe. Some services require additional equipment like a CableCARD, digital cable terminal, cable modem or phone eMTA at an additional charge. Service, programming and equipment is subject to availability. All pricing, programming and channel locations are subject to change. A subscription to premium channels, packages and services such as pay-per-view requires appropriate equipment. Many factors affect Broadstripe high speed internet service speeds and actual speeds may vary and are not guaranteed. Installation prices for Broadstripe services are for standard residential installations only and custom installation charges are additional.
